

Responsible Disclosure

Lenyxo values third-party security researcher reports and their assistance in improving the security of our goods and services.

What is the best way to send a report?

Please email details to support@lenyxo.com if you want to submit a bug report.

Scope

The following domains host third party developed software. The infrastructure is within scope, but the applications themselves are not:

- lenyxo.com
- go.lenyxo.com
- dash.lenyxo.com
- forum.lenyxo.com
- help.lenyxo.com
- status.lenyxo.com

The following sites are built and/or maintained by our supplier [iFastNet](#). Please report any identified vulnerabilities to iFastNet.

- Control panel domains: [cpanel.lenyxo.eu.org](#), [cpanel.lhost.eu.org](#), etc.
- Most services exposed through the control panel, unless explicitly defined as in-scope, e.g.:
 - [filemanager.ai](#)
 - [scriptinstall.rocks](#)
